A P P E A L

After under going extensive expansion since 1909 it has become the Spiritual, Educational, Cultural and Social Hub of the community. We thank you for your generous response in the past and In sha Allah we pray you will assist us again, **Ameen.**

Alhamdulillah,

The institute is one of twelve Humanitarian Centre's established by Hazrath Soofie Sahib  between 1895 - 1910. Situated in the City of Pietermaritzburg between the residential and business sectors.

OUR ACTIVITIES

Islamic library

A Jaame Masjid, Islamic library in the institution office (only Quran Sharif with no translation is kept inside the masjid library to avoid forcing one school of thought on any persons). The library in the office can be visited but books are not lent out, however, a free service of photocopying relevant pages for research purposes is offered. Our website has an online library with downloading facilities. Many converts and children come to the institution for personal lessons. In sha Allah we plan to launch an online Madrasah that focuses on the basics of Islam and the differences of the schools of thought so the future generation learns the etiquette of differences.

Fitness Centre

We have a Community Hall, Fitness Centre (for women and children only), and offer social welfare services, spiritual healing, counselling, and spiritual guidance, a heated indoor pool and fitness floor exclusively for ladies and children. Keep in mind that Islam speaks of 5 shells for human development, the Electronic physical, Astro physical, Astral, and then the soul. The funds generated from the Fitness Centre will, In-sha-Allah, enable the Institute and Masjid to become sustainable with minimal requests for funding. We will soon intend to open an Islamic general store and establish a Women Empowerment Centre.

Covid-19 Support

Unfortunately due to COVID-19 all funds generated through this initiative were put into a Project Account with the instructions of the organization's Accountant. During the Pandemic, lessons are given with social distancing and adherence to Government restrictions. May Allah Almighty lifts this pandemic soon so that more instructors can rent the facility and increase the activities of the Fitness Centre, Ameen.

COMMUNITY ACTIVITIES

FEEDING of the poor and needy after Jumu'ah, on Eid and other occasions | **HAMPER** distribution monthly | Bursaries are given to exceptional students Restricted to our congregation members | **Sadqa and Zakaat** to deserving cases | **Zikr and Khatam** weekly | **Spiritual, Marital and Social Counselling** | **Electronic Calendar** sent out monthly.

A monthly night market was introduced in 2017 to uplift local businesses within the community to serve the purpose of people supporting lesser-known home-based traders. Many are given free stalls and supplied with stock due to their dire financial status, with the Grace of God Almighty, they have become popular and self-sufficient.
