ENGLISH

O God, send prayers of blessings and peace upon our Master Muḥammad, he whom You sent on a Night Journey from the Masjid al-Ḥarām to Masjid al-Aqṣā, and You ascended him to Highest of Heavens, and upon his Family and Companions – the best of leaders, and upon those who follow them in excellence.

Awaken the hearts of the Muslims and ruin the plots of Your enemies from the Jews who are invading Bayt al-Maqdis, and all those who are in allegiance with them, those people of evil upon the earth, and defend us and the people of “There is no deity but God” from their evil and harm. Inspire us with our guidance in every movement and stillness, O Most Merciful of those who are merciful.
